

## ICD 2022, PALERMO, ITALY.

Dear Colleague,

Herewith, we cordially announce you that submission of abstracts to the 4<sup>th</sup> International Conference on Dielectrics –ICD2022– to be held In Palermo, Italy from 3<sup>rd</sup> to 7<sup>th</sup> July 2022 is **extended until 30<sup>th</sup> November**.

Given the continuing uncertainty due to the current pandemic situation, we announce that the Conference will be held in **hybrid mode (in-person and virtual)**.

The event is a fully sponsored IEEE DEIS conference organized by the Department of Engineering of the University of Palermo.

Papers are invited in all areas of solid, liquid and gas dielectrics. Special attention is given to topics focusing on the interfaces between solids, liquids and gases.

Submit your abstract at: <https://ieee-icd.org/>

**Abstract submission deadline: 30 November 2021**

**Topics:** Conduction, polarization and breakdown, Space charge and related effects, Ageing, degradation and failure, Materials and insulation systems, Theories, methods and models, Diagnostics and experiments, Treeing, Multifunctional materials, New materials for active and passive components, Composite insulation systems, Nanodielectrics, Electro-active polymers and their application, Microelectronics and photonics, Eco-friendly dielectrics and recycling, Biodielectrics, Electro-hydrodynamics

Please feel free to circulate this message among your friends. We would like to send our greetings and looking forward to seeing you in Palermo.

Organizing Committee of ICD2022.
